

# Noise Theory and Practice

Scientific Journal  
Vol. 4 No. 2

The founder - LLC 'Acoustic Design Institute'  
in cooperation with Baltic State Technical  
University 'VOENMEH' named after  
D. F. Ustinov

## Contents

*The Online Scientific Journal  
'Noise Theory and Practice'*

has been published since 2015.  
The founder of the journal  
is Nikolay Igorevich Ivanov,  
Doctor of Engineering Sciences,  
Professor, Head of 'Environmental  
studies and health and safety'  
department of the Baltic State  
Technical University 'VOENMEH'  
named after D. F. Ustinov, the  
founder of the transport acoustics  
in Russia.

'Noise Theory and Practice'  
is devoted to the fundamental  
problems in the field of  
vibroacoustics and accepts papers  
in the following areas:  
- 29.00.00 Physics  
- 29.37.00 Acoustics  
- 43.00.00 General and complex  
issues of natural and exact sciences  
- 87.00.00 Environmental protection.  
Human ecology.

All articles submitted to the  
editorial office are subject  
to mandatory review. The journal  
is an open network resource  
and published four times a year.
